

NAME: 10 GEOGRAPHY

RESEARCH PROJECT - Comparison of one other aspect of your ideal location.

Choose one other aspect of your ideal location and create a presentation that compares this with Port Lincoln or Australia. The following shows the original aspects you considered in your initial selection: The highlighted categories are ones we have already covered in previous assignments and therefore are not to be used.

weather - arid, tropical, mediterranean, polar (2 seasons /4 seasons) entertainment, cinema/ festivals/art/concerts

access to tech/internet/modern conveniences

living style eg camping/apartment/big house/farm education/work places

how important are shops/shopping

sporting facilities

food

physical environment - hills/rivers/ocean

type of people

population size

transport - walking/public/own car/bike

anything else I've missed ? e.g. access to hospital/ political ideology/religion /drug laws/

treatment of females

You will need to include the following

- min 2 appropriate images to **support** your research
- min 2 graphs that you have created that reflect **a comparison** with Pt Lincoln or Australia
- min 300 word discussion that reflects the information you have found out, the **positives and negatives** of what you have discovered and **how well it suits** the lifestyle you want to live in that location. You will also discuss how it is **similar and different** to where you currently live. In this discussion you will need to **refer to the graphs and images** you have included.
- You must **reference all sources**.(including statistics etc you use for the graphs)

ASSESSMENT

1. Develop geographically significant questions and plan an inquiry that identifies and applies appropriate geographical methodologies and concepts (ACHGS072)

Are you able to decide what you want to compare and how you are going to compare it.

EX _____ UN

2. Collect, select, record and organise relevant data and geographical information, using ethical protocols, from a range of appropriate primary and secondary sources (ACHGS073)

Are you able to find information that is relevant to your topic

EX _____ UN

3. Apply geographical concepts to synthesise information from various sources and draw conclusions based on the analysis of data and information, taking into account alternative points of view (ACHGS077)

Are you able to use this information to draw a comparison between the two places

EX _____ UN
